About us

Sreevaree Group was established by **Shri G. Sathish Kumar** in 1993.

Customers are our God and our aim is to deeply focus on their utmost satisfaction.

Shri G. Sathish Kumar entered the granite industry in both the states of Andhra Pradesh and Telangana at various locations in India. Over the years, his innovative approach and valuable contribution has led to the success and growth of the Company. The core value of **Sreevaree Group** lies in its ethics, transparency, product quality and customer satisfaction.

We provide various range of natural Colour Granites available in above said states in various varieties such as Tan Brown, Mapple Red, New Honey Brown, Tan Black, Premium Black, Red Pearl Black, Royal Blue etc.

With three decades of quality experience in the field of Granite as well as dedicated involvement by **Mr. G Sathish Kumar**, we achieved to deliver quality material to our customers as per their requirements. Our current production capacity is **55,000**

Sq. Mtr. This capacity was made possible because we have installed fully automatic & advanced technology machinery. We have installed 9 multi Blade Cutters and 7 Single Blade Cutters, 5 Line Polishing Machines, 4 Edge Cutting Machines and 1 CNC Edge Cutting Machine. We also have our own transport vehicles that allow smooth transportation of goods to avoid delays in supplying our products to the customers.

We currently supply natural stones in **Raw Blocks, Slabs (Finished Goods)** and different customization sizes as per our customer's requirement. We are constantly evolving and adapting ourselves to the rapidly changing technological and ecological advancements in India as well as the World. We keep pace with global developments and strive to stay true to our core principles of conducting business. We export our products globally to major countries including **USA, Europe, Asia, Middle East North Africa (MENA Region), UAE, etc.**
